

2019 SIT Monthly Summary

Noble Middle School

January 9, 2019

KUDOS

1. Great job to Ashley Matlock for providing support for all of our new ESL students enrolling...she is going above and beyond to help meet their needs!
2. Welcome to Mr. Baldwin! It is great to see him starting to make many positive connections with our students.

BURNING ISSUES

1. NC Check In testing
 - **6th and 8th grade will complete NC Check-ins during 3rd quarter and 7th grade will complete theirs during 4th quarter.**

2. The intersection where Blair School Rd meets St Nicholas? It's somewhat dangerous being that you have to pull out into the road to see if anyone is coming. I've been nearly hit several times.

SOLUTION: 4 way stop

- **This was discussed. Please use caution when approaching that intersection. Traffic will only increase after Wrightsville Beach moves in after spring break.**
3. Who is responsible for maintaining the copier machines to ensure that they have staples, toner, etc., and are in working order?
 - **If you experience a problem with a copier, please call the Toner Exchange with the number of the machine. Also, place a note on the machine indicating Toner Exchange has been contacted.**
 4. Students frequently tardy to class. There doesn't seem to be any urgency/motivation with students getting to class on time.

SOLUTION: Consistent use of tardy steps when the bell rings (unless a student has a pass).

- **Potential tardy sweeps in the future**
5. February Faculty Meeting date/time
 - **February 6 at 9 am**
 6. Cell Phone Policy
 - **Please see Handbook**
